

Hi one and all. As promised, we are doing our best to keep you updated with the ever changing regulations that we now have to enforce.

We already have lots of signage with advice, but our team will inform you of any further information when you arrive. Please understand we are working as hard as we can to provide a good service, as quickly as we can. We did not make these rules, we are just enforcing them to make sure we are compliant with new regulations and ensure that you can visit in a safe environment. Please bare this in mind and do not take it out on a member of the team!

**UPDATE – (COMES INTO FORCE TODAY, THURSDAY 24<sup>th</sup> SEPTEMBER.)**

We have already been operating full table service, however, as of today it will become law. Once seated please do not be tempted to leave your table, just be patient and we will take any orders, serve you food/drinks, remove empty glasses, and take payments as quickly as we can.

Everyone must leave the premises by 22:00 and the doors will be locked.

From today you WILL be required to wear a mask when you enter the pub. Only when you are seated, and remain seated, may you remove your mask while you are eating and drinking. If you leave the table for any reason (to use the facilities or return to your car) please put your mask back on until you are seated again.

Along side our own track and trace we now must display the Gov Covid-19 QR code for their app, for those wishing to use it.

We have been working hard to make sure tables are well spaced and areas ventilated. Guests are still welcome to sit out the front of the pub but there must be a maximum of 2 groups (abiding by social distancing laws), therefore, 12 people. You will no longer be able to sit on the wall on the main entrance route. A member of the team will explain this on arrival.

Apologies for bombarding you with so much information over the past couple of weeks but we are trying to keep you as well informed as possible.

Despite these changes the same warm welcome awaits, and we thank you for your continued custom and supporting us through this troublesome time.

Team Black Horse
