

**Welcome to the Black Horse Inn, Byworth, Petworth,
West Sussex, GU28 0HL.**

Thank you for choosing to visit us!

When shown to your table or seating area **please remain seated with your guests and children.** Well behaved dogs are always welcome, but they must be on a lead and remain 'attached' to their human companion at all times!

We will come to you to take orders, deliver food and drinks, and complete payments. These rules are in place to keep **everyone** safe. Please bear with us, service times may be slightly longer than normal. However, we are trying our hardest to offer a great experience in a safe environment whilst following government laws and guidance.

In line with the government regulations, we require that all guests register their details to assist with contact tracing.

Scan the QR code above which will take you to a secure online form allowing you to check-in to this venue.

Please keep your confirmation of check-in open, or save it, for a member of the team to view. As per government rules, we must refuse service to anyone that is not willing to comply with the new laws.

If you cannot scan the QR code, please visit

on your mobile device to check-in.

If you do not have a mobile device please let a member of the team know and we can input your details for you.

Thank you for your continued support!

Team Black Horse
